

**Leadership
Lorain County**

The **CHAMPIONS PROGRAM** was launched several years ago as an initiative to provide an opportunity to introduce Leadership Lorain County (LLC) and its offerings to the corporate community. Our programs cultivate a diverse network of individuals who **envision** what Lorain County and the region can be, **empower** themselves and others to make a difference, and **engage** in realizing the vision by volunteering, by accepting the challenges of leadership and acting on opportunities. Their influence continues to have impact on the region, their personal lives.

Today, LLC corporate supporters believe that this program ensures the vitality and quality of leaders and emerging leaders. It is an investment in the future of Lorain County, their own corporation, and the very fiber of the community, supporting its infrastructure by producing empowered, energized, and engaged volunteers and leaders who accept the challenges of today's economic and social environments.

We have created a menu of opportunities for support that would be easy and allow you to support Leadership Lorain County in a variety of ways and from marketing, staff development, and/or charitable contributions budgets.

Our **CHAMPIONS PROGRAM** takes into consideration all that you do and applies it to different levels of participation. Each level has a set of benefits that apply to that category. Items identified in each category do not preclude a Champion to purchase a higher priced table or provide a larger donation, it is the minimum amount to be a member of that star category.
