Leadership Lorain County Internship Program

Leadership Lorain County

VISION

The Leadership Lorain County Internship Program has been engaging, educating, and enriching students for over 20 years. As we near the 2019 summer and start to look ahead we have been given an opportunity by the Community Foundation of Lorain County, who will MATCH all funds we raise towards the 2020 LLCIP group up to \$15,000, by December 1, 2019. Please help us reach the next round of students and keep bringing strong, hardworking and talented young adults back to Lorain County.
